

Waltham Forest Connected

Purpose

To promote growth and networking opportunities across all sectors of Waltham Forest

Objectives

- To enable Business to Business networking opportunities and platform for partnership working across the business, voluntary and public sector;
- To support the delivery of priority objectives articulated in the Borough's Economic Growth Strategy (Keep, Seed and Grow);
- To support the development of a Waltham Forest model of social responsibility.

Membership

A broad platform aimed at anyone operating from a business, social enterprise, public sector, voluntary sector or community group in the borough.

Key performance Indicators

- Networking - Range of face to face networks across the borough
- Information Sharing - Facebook group, map of meeting rooms & venues
- Support and training – Range of Training, masterclasses, clinics
- Corporate Social Responsibility - Pro-bono support, skills-based volunteering, employee volunteering schemes; sponsorship

Process

Members agree to working together in an open and transparent way, focusing on productive discussions and with a commitment to ensure the effective delivery of the Waltham Forest Connected purpose and objective.

To contribute to ideas for projects to deliver the mission and objectives; and to feed this into the steering group for consideration.
